

Lone Star Rally Prayer Week Guide

A guide to help chapter membership focus on praying for the Lone Star Rally that God may be glorified in all that we say and do during the rally.

Thanks to Jack Clark, Chaplain for the Highway Disciples, for his contributions to this document.

Chapter Presidents and Chaplains,

Thank each of you for your dedication to service to the cause of Christ and CMA. As the Lone Star Rally approaches, we in CMA must focus on prayer and for God's will to be done in the Rally. To that end, the following is presented as a help and guide to you and your membership in achieving the goal of bathing the Lone Star Rally in prayer as a preparation to meet the challenge of ministry that will be required of each of us.

So, let's all get PRAYED UP!

Here is the schedule for 2024 Lone Star Rally Week of Prayer:

Step One – All chapter members must pray every day, not just during your chapter's week of prayer:

There are example daily prayers included here to help you direct your prayers. The main idea is for each chapter member to pray each day until the Rally happens in November. To help you achieve this goal, the following will help your daily prayers.

Here are some daily Prayer Highlights:

That God is glorified by all that we do and that He prepares our minds to recognize and react to the presence and calling of the Holy Spirit while we participate

That God directs all our efforts and uses His Holy Spirit to lead each individual and chapter to fulfill His will for the Rally

That God uses to His Glory, those areas where we are working to support the rally and to grow His Kingdom

That God gives us boldness to speak Jesus and share the Gospel in love with all those we encounter

That we love one another so all can see that we belong to Jesus

Additionally, Include your own Chapter specific prayer requests regarding the Lone Star Rally.

Example Prayer:

Heavenly Father,

Thank You for blessing our CMA family. Thank You for blessing us with the opportunity of serving You and Your Will at the Lone Star Rally. We honor You as God Almighty.

You are great and greatly to be praised. There is none like You.

Today, we declare that the 2024 Lone Star Rally will be safe, productive, and prosperous like never before.

We decree Your blessings over the leaders, participants, staff and volunteers. We confess that the Lone Star Rally will continue to be a beacon of hope and that Your Will be done on earth as is done in Heaven.

In Jesus' name, we pray.

Amen

Step Two - Arrange for the chapter to meet at least once during the week.

This can be accomplished in more than a few ways, but the idea is for the chapter to come together and unify in prayer for the Lone Star Rally. The more this happens during your week of prayer, the better. Whether it is by means of a chapter zoom meeting, conference call or physically meeting at a preferred location, the idea is to come together and share prayer.

Here are some prayer-focus points as your chapter prepares to pray during their week of prayer.

That God provides safety and protection to all who participate in the rally

Heavenly Father,

We come before You with grateful hearts, acknowledging Your infinite grace and mercy. As the Lone Star Rally in Galveston, Texas, draws near, we lift to You every person who will participate in this event—riders, spectators, organizers, and all who are involved in any capacity.

LORD, we ask for Your divine protection over every individual. Shield them from harm and danger and keep them safe on the roads. Guide the hands of those who ride, granting them skill, alertness, and wisdom as they navigate their journeys. May their bikes operate smoothly and may their travels be free from accidents, mechanical failures, or any unforeseen issues.

We pray for the safety of those who work behind the scenes to make this event a success. Grant them the strength, patience, and clarity to fulfill their duties effectively. Protect them from fatigue, stress, and any potential hazards that may arise during their work.

LORD, we ask that You watch over the spectators and visitors who will attend the rally. Keep them safe in their interactions, travel, and experiences. Let this event be a time of joy, fellowship, and celebration, free from incidents or injuries.

We also lift to You the city of Galveston, its residents, and all who will be in the area during this time. Surround them with Your peace and may the presence of so many visitors bring a spirit of unity and goodwill to the community.

Father, we ask for Your guidance and protection over the law enforcement officers, medical personnel, and first responders who will be on duty during the rally. Grant them the wisdom, strength, and compassion to perform their duties with diligence and care. May they be instruments of Your peace, ensuring the safety and well-being of all.

We entrust the weather to Your care, LORD. We pray for favorable conditions—clear skies, gentle winds, and a calm atmosphere—that will allow the rally to proceed smoothly and without interruption.

Finally, LORD, we pray that this event will be an opportunity for people to spread the Gospel message to all that we encounter. That we connect, form lasting friendships, and create memories that will bring Glory and Honor to your Holy name long after the rally has ended. Let it be a time of your eternal joy, your peace which surpasses all understanding, filled with respect, kindness, and fellowship.

We offer this prayer in faith, trusting in Your loving protection and grace. May Your will be done, and may Your presence be felt by all who attend the Lone Star Rally.

In Jesus' name, we pray,

Amen.

Tuesday: Day 2 of prayer week.

That God implants in the membership the desire to serve and to do so with a joyful heart and the compassion of Christ Jesus

Heavenly Father,

You know how easy it is for all of us to be distracted from the important to the mundane. We choose to worship the creation and forget the Creator. We turn towards ourselves and do not follow your great servant leadership. We ask that you give us a heart that breaks for the things that break your heart. Infuse us with your will and desire to serve all of those around us. We lift up the Lone Star Rally as one of those service fields. Create in us a joyful, enthusiastic heart for the lost. Enable us to spread the Gospel message using the CMA volunteers as you would have us serve. To go where you would point us. To stay connected to Your Presence, unified together with Christ, shining your light along the way. We pray that everyone will know that we are Yours by the way that we love each other and others that we do not know. Allow us to see your Created image in all that we meet, bearing all, forsaking all, serving all, joyfully and lovingly.

Send us to the Strand to greet those that enter the rally. Banding together, serving diligently, and respectfully.

Send us to the Sea Wall, helping attendees orderly and safely find parking. Grant us those divine encounters to show Your great love to others that may not know you. Allow us to be bold in our faith, proclaiming the Truth, in love to all we meet.

Send us to the Hospital ministry to serve and comfort those with ailments. Give us words of comfort and grace to assist those in dire need. Grant strength and endurance to meet all of the challenges that come our way with a grateful heart.

Send us to the bike blessing areas to pray over your children. Allow us to bring your message of hope and love to this dying world. Open hearts and minds to be receptive to your message. We know that your Word will not return in void. Encourage us to deliver your hope with patience and peace.

LORD, we ask special prayers and protection for those that you send to protect us. Grant law enforcement with all the proper equipment and staffing necessary. Grant a special peace and kindness to all that serve in this way so that everyone can recognize that you sent them.

We ask for travel mercies, weather mercies, favorable conditions and a calm atmosphere in which to conduct the rally.

*In Jesus' name, we pray,
Amen.*

Wednesday: Day 2 of prayer week.

That God blesses every effort in the Hospital ministry, the Street ministry, and Rally support, such that the light of Christ shines brightly to all those around us

Heavenly Father,

When we are CLOSE TO YOU, we are safe. In the intimacy of Your Presence, you are energized. No matter where we are in the world, we know we belong when we sense Your nearness. Ever since the Fall, we have experienced a gaping emptiness that only Your Presence can fill. You designed us for close communication with our Creator. How you enjoyed walking in the garden with Adam and Eve before the evil one deceived them! When we commune with Me in the garden of our heart, we are both blessed. This is Your way of living in the world—through us! Together we will push back the darkness, for Jesus the Light of the world.

Since we know that we are always safe with you, keep us close to you during the 2024 Lone Star Rally. We ask a hedge of protection for all the riders, participants, volunteers, staff, and residents. LORD help us to make good choices. Keep our minds clear and our hearts full of your love and peace as we enjoy your creation in Galveston during the rally. Even in the midst of suffering, we know that we can count on your healing touch. We trust in your Divine presence to send angels of mercy to surround us. Grant the nurses, doctors, and all medical staff wisdom and discernment as they treat anyone in the hospital for ailments. Prepare and send volunteers to be angels of mercy, full of patience and loving care to carry your message during difficult times. LORD, we ask that there will not be any injuries or deaths during this years' rally, but if there are, then we know you have a greater purpose than we can understand. Grant us your eternal perspective! Give us your Hope and Peace in all circumstances. Allow us to be angels of light, so that all can see You, Know You, be drawn to You! LORD, we give you all Honor and Praise. May the actions of everyone serving at the rally in the Hospital ministry bring your Glory and Honor. LORD, we thank you, Love you, and Praise you!

LORD, we ask special prayers and protection for those that you send to protect us. Grant law enforcement with all the proper equipment and staffing necessary. Grant a special peace and kindness to all that serve in this way so that everyone can recognize that you sent them.

We ask for travel mercies, weather mercies, favorable conditions and a calm atmosphere in which to conduct the rally.

In Jesus' name, we pray,

Amen.

We ask that you prepare every heart for the CMA volunteers that they have the boldness to proclaim your Holy Name! We ask for hearts that cry out for the lost. We ask to be made salt and light for this dying world. Send us to be messengers of your word, for your message of Holiness to be in our hearts. We ask for your Peace to be in our spirit. Lead, guide, and direct our steps, our minds, our actions to reflect your Truth in Love for all of your children. In Jesus' name, we pray,

Amen.

Friday: Day 5 of prayer week

That God blesses the blessing of bikes on the Sea wall and all that we encounter

Heavenly Father,

We come before You with hearts full of gratitude and anticipation for the 2024 Lone Star Rally in Galveston, Texas. As thousands gather on the sea wall, we ask for Your divine presence to be felt in every interaction, every conversation, and every moment spent in fellowship.

LORD, we ask special prayers, we know that this rally brings together a diverse and often secular community of bikers, but we also know that Your love has no boundaries. You are the God of all, and Your heart desires that every person comes to know the saving grace of Jesus Christ. We ask for Your Spirit to be with those ministering on the sea wall, giving them boldness and compassion to share the Gospel message of love, peace, patience, and kindness.

Father, as bikes are parked by the thousands, we pray for safety and organization. We ask that You give wisdom and patience to those overseeing the logistics, that every bike finds a space, and every rider is met with the warmth of Your love through the hands and hearts of Your people. May the process of parking not only be orderly but a gateway for ministry—a moment to extend hospitality, peace, and care to those who may not yet know You.

We pray for every conversation, LORD, we ask special prayers, that it would be seasoned with grace and truth. May Your message of eternal salvation through Christ be spoken with clarity, love, and gentleness. Let those who are hurting, lost, or searching find in these encounters a glimpse of Your heart for them. Help Your people to model the very attributes of Jesus—peace that calms storms, patience that bears with others, kindness that shines like light in the darkness, and love that overcomes every barrier.

LORD, we ask special prayers, we lift to You the bikers, the vendors, the spectators, and every soul who will attend the rally. We pray that hearts would be open, that seeds of the Gospel would be planted, and that lives would be transformed by the power of Your Word and Spirit. May this be more than just a rally; may it be a time where Your Kingdom is advanced, and Your name is glorified.

We commit the 2024 Lone Star Rally to You, trusting in Your perfect plan and knowing that You are able to do abundantly more than we could ask or imagine.

In the mighty and powerful name of Jesus Christ, our Savior, we pray.

Amen

Saturday: Day 6 of prayer week.

Pray for the support staff, CMA members behind the scenes

Pray for open hearts of those who we are ministering to at the rally

Heavenly Father:

We come before You with humble and grateful hearts, lifting up the 2024 Lone Star Rally to You. We thank You for the opportunity to gather, to connect, and to share the message of Your love and salvation with those who attend.

LORD, we specifically lift up the support staff and CMA members who are working tirelessly behind the scenes. Bless them with strength, patience, and wisdom as they carry out their responsibilities. Fill them with Your peace and endurance, knowing that their work, though often unseen, is a vital part of the ministry. May their efforts be a reflection of Your hands and feet, working to create a space where Your Spirit can move freely.

We pray for the hearts of those we are ministering to during the rally. Father, we ask that You soften the hearts of everyone attending, preparing them to receive Your Word and Your truth. Break down any walls of doubt, fear, or pride that may prevent them from hearing the message of hope and grace. Open their ears to hear, their minds to understand, and their spirits to be renewed by the love of Christ.

Guide the words and actions of every person involved in this ministry, that they may speak with boldness, compassion, and humility. May Your presence be felt in every conversation, every prayer, and every act of kindness. We ask that seeds of faith be planted in abundance and that lives will be transformed through the power of Your Holy Spirit.

LORD, we trust that You are already at work in the hearts of those we will meet at the rally. Let this be a time of breakthrough, healing, and salvation for many. Protect all who attend and serve, granting safety and unity throughout the event.

In all things, may Your will be done, and may You receive all the glory and honor.

In Jesus' name, we pray,

Amen.

Sunday: Day 7 of prayer week

Pray for the worship services on Sunday

Heavenly Father:

Dear and precious LORD, we are in awe of you. There is none like you. You are great and worthy to be praised! Before the sun, moon, and stars were formed, you had a plan for us. A plan to prosper us, not to harm us. You created a perfect world, with all that we could possibly want and more than we can fathom. Who can count the stars? No one! Who can count the grains of sands on all the beaches of the world? No one! Who can create man and woman in your image? No one but you! We are wonderfully and beautifully made! All of our days have been counted before even one day has occurred. Nothing surprises you. From everlasting to everlasting, great is your Holiness! Your truth shall never fail us. Your promises will always come to fruition. Your mercies are new and beautiful each and every day. You have crafted each day to challenge us, correct us, teach us, mold us to be more and more like your precious Son! You sent your Spirit to lead, guide, and direct us as we traverse life's daily encompasses. Your timing is always perfect. Just because we don't understand it, doesn't mean that it isn't true. Your ways are higher than our ways, Your thoughts more vast. Who can know them? None but you!

Father, we wish to worship you on Sunday of the 2024 Lone Star Rally as you should be worshipped. Prepared our hearts, cleanse our minds, chasten our hands and feet to gather in your name. Remove all distractions, ease all ailments, clear all pathways, and gather your children to worship you. We pray that our worship will bring Glory to the Most High! We will sing songs of praise, lifting our voices together as one chorus, celebrating what you have done for us. Keeping in mind the great privilege it is to know you, to stand firm in your promises, to rejoice in your truth!

In Jesus' mighty name, we pray,

Amen

Thanks to each and every one of you for your prayers and dedication to make this years Lone Star Rally one that will Glorify God and grow His Kingdom.
