## CHAPTER 353

### President's Message

#### Satan's attack

The devil comes to kill still and destroy. Before we ever left for Colors Dedra's boot broke. But Vickey had some boots so we were back on the road. Then when we get to Arkansas and stop at the motel. We unload the bikes and get ready to head to Iron Mountain. Remind that this is Kathy's first time going home. We start to back out of the parking place and it's on a hill and the assault is all broken up. Potholes lose gravel. So bike tire goes into a hole at the same time the front tire goes into a hole. We can't backup any more. I tell Kathy this is where I have to be careful. I start to pull forward and we go down. I tried to hold it but the weight and two up combined with the hill I lost. We got a couple scratches nothing major. Pride hurt more than anything else. Saddle bag scratched up pretty good and highway bar scratched. Abel, me and Kathy get it up and helped me get it out of the hole. (I avoided the holes the whole weekend after this). This is all satan trying to keep us from praying and worshipping GOD. But JESUS will help us to overcome all that is thrown at us. After we got back T-Mobil tried to get me to get a new phone but something wasn't right. Thought I was getting scammed out of a iPhone. But it wasn't that they just trying to meet there quota or commission. So I was frustrated and worried all week until I finally got confirmation from T-Mobile it wasn't all fixed and made right. I tell y'all this because even I forget GOD's got us. He didn't save us to let us get taken advantage of. Oh and we know who wins. Don't forget to keep trusting JESUS in all you do. Jesus has already Won.

Gods Bless,

Your Prez. U-Turn Jack

### VP's Thoughts for the Day

In Jesus Sermon on the Mount, Jesus talks about His followers being Salt & Light. Matthew 5:13 says we are the Salt of the earth. Verse 14 says we are the Light of the world. To quote Charlie Kirk: "What do light, and salt have in common? They change the environment that they come in contact with. They do not conform, and they do not affirm. They transform what they come in contact with." Salt is a preservative and gives flavor. I love salt! Did you know that no amount of darkness can hide a light? Psalm 139 vs 11-12 say: [11](#)If I say, "Surely the darkness will hide me and the light become night around me," [12](#)even the darkness will not be dark to you; the night will shine like the day, for darkness is as light to you.

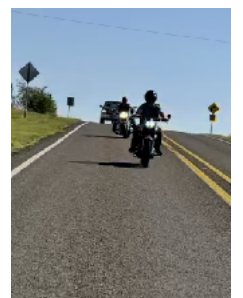

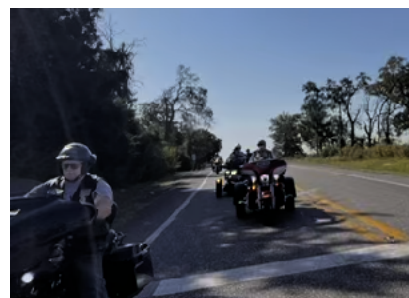

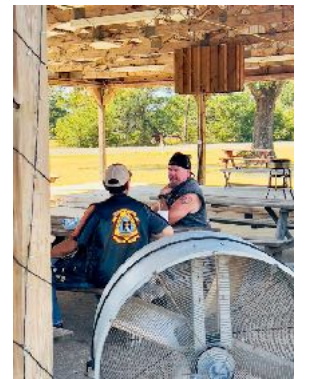

That all being said I have a question (and I did not like my answer, how about yours?) Are you transforming the environment you come in contact with? How are you at work? Are you transforming your family? As men, are we leading our families toward Christ and to Church? Are you trying to lift others up? When someone gets a new motorcycle, are you happy or jealous? Even though I barely knew my dad, I get from him new *vehicle-itis*. I always want something new.

Nothing wrong with my Indian, but a new Goldwing would be awesome. Do we reject evil? What about the signs of the times? As I study the Word, I believe there is nothing in Scripture that NEEDS to happen before Jesus' return. So, if you really believe what you say you believe, are you doing everything you can to take everyone with you, especially the ones you love? When we put on our Colors, the outside biker world expects us to behave a certain way as Christians and CMA Members. We need to be Salt & Light everywhere we go!

## Marilyn's Minutes

This fall through December will be busy with ministry. In October we were involved in Colors and chapter rides. We had 2026 officer nominations and will vote in our November chapter meeting.

November we will be busy with the Lone Star Rally and also taking groceries to our three adopted families. In December we will also be involved in our three adopted families taking groceries and Christmas gifts for the children.

I know there are individuals that are involved in public ministry but others in private ministries. It doesn't matter whether ministry is private or public; ministry is ministry. There is no better activity than to be involved in where God wants you right now.

Jesus said some sobering words in Matthew 6:1 "Beware of practicing your righteousness before other people in order to be seen by them, for then you will have no reward from your Father who is in heaven." We do not get involved in ministry to show people how righteous we are or to get praises from people or our fellow New Testament Riders. We minister to people in humility and love because that is who Jesus was in ministry and that is how He has called us into ministry.

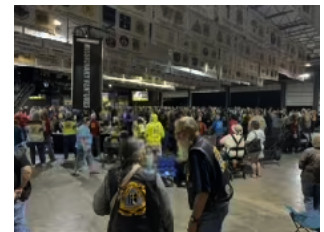

Colossians 3:23 says "Whatever you do, work heartily, as for the Lord and not for men." . We have to be genuine with people and need to show them respect, no matter what kind of life they have lived. Jesus demonstrated His love for people and handled sinners with compassion not condemnation. We have to do the same. When we come in contact with sinners, we are the mouth of Jesus and reflect who He is. We represent Jesus.

As we go through this busy season, whether you are involved in a public or private ministry, treat people with respect and compassion and love them the way Jesus Christ loves them.

Marilyn

### Is the Bible a Manual???

For many the Bible is like the king or queen of England. They hold the top position in the country, but has no real power.

Recently I decided to do something I have never done before. I took out my car manual and read it. I usually get behind the wheel, turn it on and go. That's it. But one day I opened the glove compartment and there it was. Now this manual has been in the glove compartment for years. As far as I'm concerned, this is unnecessary reading. I see a steering wheel, brakes, radio, heater and Air Conditioning I am good to go.

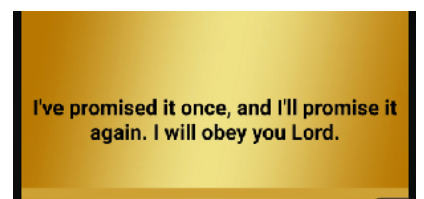

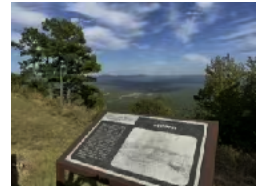

But on that particular day, I decided to flip through the manual. I was surprised at some of the stuff I read. There is some much stuff this car could that I do not know about. I learned that I had been doing something's manually that the car could do automatically.

On one particularly rainy day, I was trying to look out my rear window and I could not see anything. After all these years of having this car I had never known there were windshield wipers back there. It wasn't that it was not provided or that I was unaware of the provision. I did not know it was provided or how to take advantage of it.

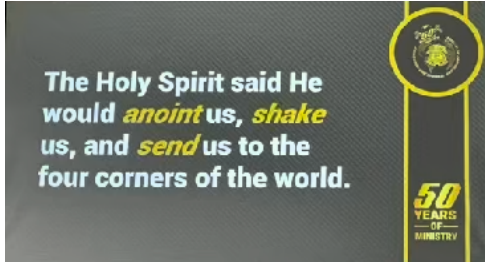

What the Bible, the grace manual, is designed to do is show you all the provision that God has provided for every believer. The problem is I not only need to know that the manual is there, but I also need to know what it tells me I can do and how things work.

*Joshua 1: is a command for constant meditation on the "Book of the Law" (Gods Word) to ensure obedience, which leads to prosperity and success in all endeavors.*

### Seven Realities of Experiencing God

At Waller Baptist Church, we have been going through the Experiencing God Bible Study. The following is just a quick listing and explanation of the Seven Realities of Experiencing God. If you ever have the opportunity to take this course, please do so. If you do, and apply these truths to your life, your life will be changed!

1. God is always at work around you.
  - a. We need to understand that God is everywhere all the time. In other words, He is with you as you go about your day, all day long no matter what you are doing. We see throughout Scriptures that God is always at work; therefore, we can expect God to always be at work around us (*Ex. 2:23-25: 23 Now it came about in the course of those many days that the king of Egypt died. And the sons of Israel sighed because of the bondage, and they cried out; and their cry for help because of their bondage rose up to God. 24 So God heard their groaning; and God remembered His covenant with Abraham, Isaac, and Jacob. 25 God saw the sons of Israel, and God took notice of them.* NASU).
2. God pursues a continuing love relationship with you that is real and personal.
  - a. We know that God loves us (John 3:16) and this love is not a static love. That is, He does not love us, then leave us to our own work, but He loves us with an active, continuing, unconditional love. He wants to be with us and for us to love Him back. Notice in Exodus 24:12, God told Moses to "Come up to me on the mountain" and Moses did. God pursued a loving relationship with him.
3. God invites you to become involved with Him in His work.
  - a. When we see God working around us, we are invited to become involved with Him. We see this in Exodus 3:8, 10 where God tells Moses that He is sending Moses to Pharaoh so that he could lead the Israelites out of Egypt. In the same way, He invites us to become involved with Him as we see Him at work around us.
4. God speaks by the Holy Spirit through the Bible, prayer, circumstances, and the church to reveal Himself, His purposes and His ways.
  - a. In order to "see" what God is doing around us, we need to be tuned in to His voice, the same way that we tune in a radio station to hear the music that we like to listen to. We "tune in" by reading/studying the Bible (which can give us instructions (Go and make disciples), prayer (he will speak to our hearts as we pray), circumstances (He can put someone in our path, or put us in their path), and the church (other members, pastor, etc. can be working with God and that gives us an opportunity to work with Him.) When we listen, we find out that He reveals more about Himself, what He wants us to do and what He is doing.
5. God's invitation for you to work with Him always leads you to a crisis of belief that requires faith and action.
  - a. When we see God at work, that is an invitation to join Him in that work. That invitation always leads us to a crisis of belief. That means we must make a decision. Do we or do we not do what God is inviting us to do? Look at Moses, again. When he saw the burning bush and God invited him to join him in freeing the Israelites, he had to make a decision. So anytime we see God at work, do we believe that God can equip us to do that work, or are we so limited in our thinking that we don't think God can equip us? Once we make the decision to join God, we must put our faith in action and follow through with what God is calling us to do. Be aware that what we see God doing one time, may not be the same thing He's asking us to do the next time.
6. You must make major adjustments in your life to join God in what He is doing.
  - a. Once we decide to join God in what he is doing, it will require major adjustments. Look at Abram (later Abraham). God told him to pack up all his belongings and family and go where God would show him. He was a rich man and had a lot of possessions. He packed up and followed where God led. Notice that God didn't tell him where he was going. He just said "Go"! Don't you think that Abram had to make some major adjustments in his life to follow God? We need to be prepared to make those same kind of adjustments in our lives to join God in His work. Yes, even if He says "Go"!
7. You come to know God by experience as you obey Him, and He accomplishes His work through you.
  - a. As we allow God to accomplish His work through us, we come to experience Him. Once again, look at Abraham. He followed God and God made of him a great nation. God performed many miracles by the hand of Moses. He saved an entire world through the obedience of Jesus, dying on the cross.

What can He do through you? Probably more, much more than you can even imagine! He may not have you do something huge at the very first, but He could build you up little, by little until He does great things through you. Are you willing to watch to see where He is working and join Him? As children of God, we should always be ready and willing to join Him. Just realize that as a Christian, there are two words we should NEVER utter together. "No, Lord." If He is truly our Lord, we cannot say no. Think of that the next time you feel Him leading you to do something.

In Him,

Marvin

2025 NATIONAL RALLY - ALTOONA, PA

## Road Captain Roadmap

As fall weather approaches, Christian motorcyclists are reminded to ride with both wisdom and faith. The beauty of changing leaves also brings new hazards: wet roads, fallen foliage, and decreasing daylight.

Proverbs 22:3 says, *"The prudent see danger and take refuge,"* encouraging riders to prepare spiritually and physically. Wear layered, weather-resistant gear to stay warm and visible, and ensure your bike is in good condition—especially brakes and tires. Watch for slick roads caused by rain and leaves, and adjust your speed accordingly. Ride prayerfully, asking for God's protection and guidance on every journey. Fellowship with other riders can also offer support and accountability. Let your conduct on the road reflect Christ's love, showing respect and care for others. As 1 Corinthians 10:31 reminds us, *"Whatever you do, do it all for the glory of God."* Ride safely, ride wisely, and trust God through every mile.
