Youth Activities during Services

The Lord has faithfully blessed the ministry of CMA, continuing to give us the opportunity to carry out our calling to share the Good News about Jesus to the motorcyclists of our world. The need for Jesus in the motorcycling culture has never been more critical. In light of the days we live in, it's time to

Accelerate into the calling Christ has before us.

Join us for fellowship and fun this February in Victoria Texas as we twist the throttle and accelerate into 2023, revitalized in Spirit and unified in purpose after partaking in Seasons of Refreshing.
