

Lone Star Rally November 6th – 9th

Galveston, Texas

Guide to Ministry

As many of you know, the Lone Star Rally is scheduled to happen on November 6th – 9th 2025.

We as Southeast Texas Leadership are trying to change the way we do things for this rally. Simply put, we are realigning our focus on ministry. While still in the planning stages, we are reinstituting many ministry efforts where we as CMA members are more visible on the streets during the rally with a focus on sharing the Gospel of Christ, blessing bikes, and praying with and for Bikers.

Of course, we will still be involved in Rally volunteer positions that serve the rally and support the promoters, however these positions will be fewer than before, and we plan to reduce the number of CMA members “selling stickers”.

Rally Support Volunteer— As I just mentioned, this area of service is primarily non-evangelical in nature and has to do with continuing our support of the rally and its promoters as in the past; except it will be on a much smaller scale. We as a team will fill in the parking sticker process as needed. If you are called to “work” the rally, then WE NEED YOU! The Lone Star promoters have been supplying parking sticker volunteers during the last few years but there are holes to fill. We want to maintain our relationship with the Lone Star rally. YES, WE NEED YOU.

Ministry Opportunity Details:

- **Hospital Ministry** – This ministry requires some training prior to you serving. Also because of its being in the hospital environment there is necessity for just a few volunteers, we are requesting those with experience be used first. However, if you have the desire to a part of this ministry, we encourage you to get involved.
- **Street Ministry** – This ministry is where the rubber meets the road. This ministry is one-on-one and an opportunity to interface with the biker community. When you are in “the mix”, it is loud and chaotic, but can be incredibly rewarding. Teams of two will be present on the streets of Galveston, passing out rag tracts, blessing bikes and searching for those opportunities to witness and pray with bikers.
- **Bike Blessing Ministry*** – This ministry and street ministry sort of go hand in hand. As with street ministry, bike blessing can be an opportunity to witness. The focus is on utilizing the ice breaking tool of the bike blessing as a method to open a conversation about Jesus. This ministry too can be incredibly rewarding. The plan is for Bike Blessing stations to be located on the Strand and Seawall, as well as 2-person teams roving around looking for bike blessing opportunities.
- **Mechanical Ministry** – This ministry will consist of shift work from a central pop-up. Duties will be inflating tires, jumping dead batteries and other minor repairs as appropriate.
- **CMA Rally Prayer Team Ministry / Ministry Supply** – Volunteers will prepare ministry bags and pray over the rally operations. Their purpose will be to manage supplies and also focus on prayer opportunities as they arise. This ministry has the potential to be one of our most powerful ministry efforts. Prayer changes things. And when we have a Prayer Team earnestly praying for and over the other ministries as they work the street. This will make a difference
- **CMA Church Service Ministry** – This ministry will focus on the Sunday Services in the form of individuals helping with support and setup, but also those who have the gifts to contribute to the worship portion of the service. Our plan is to have two services, one in the vicinity of the Strand entrance and the other at the main stage of the rally Seawall location.
- **CMA Support – Seaside Retreat Center** – The Retreat Center ministry is being headed up by Tommy and Judy Lucas of the Heaven’s Saints MM. For many years, the Heaven’s Saints have provided meals to those serving in the rally and staying at the center. This is their ministry. These volunteers will help at the Center to assist in meal preparation, cooking, cleaning, and other duties as required

- **CMA Registration / Scheduling / Day to Day Operations** - If you can volunteer here, you will be assigned to help in one or more of the tasks needed to keep our teams supplied. This will provide some support for those heading up the registration, Food preparation, and rally communications.

Saturday Morning Breakfast Fellowship. 7 – 9 am

- This is a function that has been a part of the rally in the past and is provided to us by the Galveston Bible Church. GBC wants to continue to bless us with this breakfast.

Seaside Baptist Retreat Center Lodging

- **Rally Discount Lodging:** This year we are offering a place for CMA volunteers to stay at an extreme discount. The facility is being opened to CMA'ers who volunteer at the Rally and serve at least one full shift per day. The CMA member discount rate is \$50 per person. **For non-CMA or guests, the price is \$100.00 per person These rates are for the entire rally (not per night) or for however many nights you care to stay (still a bargain).* **No Credit Cards accepted, cash or check only. Checks payable to: CMA Treasurer Of South Texas.** These funds will be collected at the lodging site.

Seaside Baptist Retreat Center
16534 Termini San Luis Pass Rd
Galveston, (Jamaica Beach) Texas

As mentioned earlier, The Heaven's Saints MM oversees this ministry and provides meals to those who work the rally for a donation. \$\$

This effort cannot be successful without you participating with the goal of winning hearts for Christ in mind. We know that is what CMA is all about. Thank you and God bless you for your love for Christ and desire to serve with His body of believers known as the Christian Motorcyclists Association.

Changing the world, one heart at a time.

Here if you need us.
