NEW TESTAMENT RIDERS

CHAPTER 353

President's Message

Problems in troubling times.

Here I have been home sick all week. It never fails something must break when I'm home sick. That's just how it is. Last time it was a faucet. Thanks to Zach he helped out and got schooled on how to fix it. This time I felt really bad with upper respiratory infection and the toilet breaks.

Not just a little repair, no the whole tank had to come off, repair it and reinstall it.
So here I am complaining about it and if I would have been at work I would complain about that. In reality I should be grateful I was home to fix it. That's what I should be saying in the first place isn't it. Thank you GOD for letting me be home to fix the problem.

Often in life GOD has made a way for us to be in the right place at the right time and we miss the opportunity to do what ever he has for us because we are to busy complaining.

We must change our perspective to see things in a new light.

Yes my toilet was fixed under $20 easy enough 30 minutes done.

Slow down look for the sign GOD has for you and fix whatever HE has put in your path. Then thank Him for the time and knowledge to fix it.

GOD BLESS
Your Prez

VP's Thoughts for the Day

We had 5 members show up to the Tomball Festival. The nice thing about working this type of event is you get to sit and talk with each other. You get to know each other more than at a meeting. We were given the opportunity to pray for 8 different people. One woman asked for prayer for her daughter and grandbaby. The daughter was in rehab. One couple just lost a baby and ask for prayer for comfort and more children. This was one of the hardest prayers I think I have prayed. Searching for words to comfort people that lost a child. Thank the Lord for the Holy Spirit. Romans 8:26 ***Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered.*** Another asked for prayer "just for life." Several times that night I heard the comment "if only one person stops by it is worth it." This reminded me of the Parable of the Lost Sheep. This is the story in Matthew 18 and Luke 15 where Jesus says if you have 99 sheep and 1 is missing, don't you leave the 99 to go look for the 1? After he finds the lost sheep, he says basically let's have a party! Luke 15 verse 7 says "I tell you that in the same way there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent." I get that same joy when a person has the courage to walk up to talk strangers and open their hearts and says, "pray for me – Here is my need!" Can you imagine the joy in heaven as the angels cheer us on doing the work that Jesus asked us to do.

Marilyn's Minutes

On Friday evening August the 7th five of us from New Testament Riders went to the Tomball Festival at the Train Depot. We had a good time of fellowship as well as having the opportunity to pray with people. It was slow at first so Deidra and I walked around. As we talked with some vendors we had an opportunity to pray with them. When we got back to the CMA booth there were more opportunities to pray for others.

The prayers requested were from people who were really hurting from one thing or another. Isn't that one of the mottos of CMA "here if you need us." There are a lot of hurting people around us. We need to stay focused on Jesus and be willing to minister and pray for people that are hurting.

When Jesus was on earth and ministering he touched the leper, He talked to the dear, He had a hands on ministry. He didn't just preach to them. He was involved with their pain and He brought healing. We are the hands and feet and voice of Jesus. We should do the same.

In the Gospel of Mark just before Jesus fed the 5000 He looked at the crowd and had compassion on them because "they were like sheep without a shepherd." There are crowds of people all around us in the same condition. They are lost. May we never lose our compassion for the lost and may we always "be there when they need us."

Wyoming State CMA Rally

A Journey of Beauty, Fellowship, and Faith. The Wyoming State CMA Rally was nothing short of extraordinary this year. Riders gathered from across the region, bringing together a community built on faith, friendship, and the open road. What unfolded over the weekend was a tapestry of breathtaking landscapes, unexpected discoveries, and meaningful connections that will be remembered for years to come.
Wyoming's rugged mountain ranges greeted us with towering peaks and sweeping valleys. Every ride felt like a postcard brought to life crisp air, endless skies, snowy mountain tops and the kind of scenery that reminds you just how grand creation truly is.

One of the most delightful surprises of the trip was the wooden troll sculpture nestled by the lake, built back in 2021. Standing quietly at the water's edge, it felt whimsical and almost mythical, a reminder that art and imagination can thrive even in the wildest places.

The Wind River was a highlight of all its own rolling rapids to calm waters. Near the dam, the water surged with a steady, powerful rhythm, carving through the canyon in a way that felt both ancient and alive. It was a perfect place to pause, breathe, and take in the beauty of God's handiwork.

Everywhere you see deer and bison standing on the plains, slipping through the trees to birds soaring overhead, wildlife seemed woven into every moment of the rally. It added a quiet, natural soundtrack to the weekend one that made each ride feel even more connected to the land around us.

As beautiful as the scenery was, the people made the rally unforgettable. Riders, families, and friends, some familiar, many brand new came together with stories, laughter, and shared purpose. The fellowship was genuine, warm, and deeply encouraging. We felt right at home. The rally wasn't just a trip. It was a reminder of why we ride and serve CMA, why we gather, and why community matters. Faith, friendship, and the freedom of the open road came together in a way that left hearts full and spirits renewed. We are looking forward to Mena to experience the same things with our home base friends.

Chaplain's Corner

Hello fellow CMAers! Isn't God great! Look at what He says:

13 For I am the Lord your God who takes hold of your right hand and says to you, Do not fear; I will help you. (Isaiah 41:13 NIV11)

Think back to when you were a young child and you were out with your parents. As you walked along beside them what were you doing? Holding their hand (or maybe it was that they were holding yours), right? Why? Because as a child we have a tendency to wander away from where they want us to go. We see something interesting and want to go look. We see a toy in the store and want to get our hands on it, and so on. Our parents kept hold of our hand so we wouldn't get ourselves into trouble. Look at the scripture. God says "Do not fear; I will help you" while He is holding our hand. If we would just quit fighting and let Him guide us, we would stay out of trouble! Think about this for this month. Try to visualize God holding your hand and let Him lead you.

In Him,

Marvin

Safe Riding in the Heat and Christian Fellowship

Riding motorcycles in the Texas heat with NTR (CMA) is a lot of fun, but it also comes with some serious responsibilities. When the temperature gets close to 100 degrees, safety has to come first. Staying hydrated, taking breaks, wearing the right gear, and watching for signs of heat exhaustion are important. Nobody wants their motorcycle ride to turn into an ambulance ride!

One of the things I enjoy most about riding with a NTR is knowing that we look out for each other. We don't just ride together; we encourage each other, check on one another, and make sure everyone makes it home safely. The fellowship we share makes the ride even more enjoyable.

Even when we're sweating through our clothes and wondering why we chose to ride on the hottest day of the year, there is always plenty of laughter. Most importantly, we can enjoy the ride, strengthen our friendships, and thank God for the opportunity to fellowship together on the open road.

Lone Star Rally Chapter Prayer Drive

To unify the membership, seek God's guidance and prepare our way, we need to focus on praying for the Lone Star Rally like never before. To that end, we have proposed that each SETX chapter be assigned a week of prayer to cover the coming 14 weeks prior to the Rally. Each chapter will be assigned a week in which they will come together as a chapter to pray. How this is accomplished is up to the individual chapters to decide. It may take the form of organizing a Zoom meeting or a prayer meeting where the chapter can come together and focus on praying for the Lone Star Rally and asking God to guide us in what He has in store for us individually and as a family..
In addition to the efforts as a chapter, we ask that during your chapter's week of prayer, each chapter member focus daily on praying for the rally at a time of their choosing, or the chapter could agree to choose a time of day that each member is going to stop what they are doing and pray for the Rally.
Here are some prayer needs, please add your own:

That God provides safety and protection to all who participate in the rally.
That God directs all our efforts and uses His Holy Spirit to lead each individual and chapter to fulfill His will for the Rally.
That God is glorified by all that we do and that He prepares our minds to recognize and react to the presence and calling of the Holy Spirit while we participate.
That God implants in the membership the desire to serve and to do so with a joyful heart and the compassion of Christ Jesus.
That God uses those areas where we are working to support the rally to His Glory and to grow His Kingdom.
That God gives us boldness to speak Jesus and share the Gospel in love with all those we encounter.
That God blesses every effort in the Hospital ministry, the Street ministry, and Rally support, such that the light of Christ shines brightly to all those around us.
That we love one another so all can see that we belong to Jesus.
While we recognize that these weekly efforts by the SETX chapters are designed to motivate, unify and equip the chapters, it is leadership's desire to bring into focus the need of each and every CMA member to pray every day for God's outpouring of His Spirit on the Lone Star Rally. Also we encourage your chapter to designate someone to pray a Lone Star Rally focused prayer during your monthly chapter meetings.
It is only through His power that we are to see His Kingdom growing success.
The place we start is prayer, and the time we start is NOW!

Heavenly Father, Thank You for blessing our CMA family. Thank You for blessing us with the opportunity of serving you and your will at the Lone Star Rally. We honor you as God Almighty. You are great and greatly to be praised. There is none like You.
Today, We declare that the 2026 Lone Star Rally will be safe, productive, and prosperous like never before. We decree Your blessings over the leaders, participants, staff and volunteers. We confess that the Lone Star Rally will continue to be a beacon of hope and that Your will will be done on earth as is done in Heaven.

Amen

CMA's Monthly Bible Study

"For the word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires" (Hebrews 4:12, NLT).

Thank you for dedicating your time to studying God's Word! In the ministry of CMA, we believe that all the time we spend engaging with the Scripture together has great benefit for our lives, our chapters, and the still unreached motorcyclists we are called to serve. Throughout 2026, CMA's monthly Bible studies will be focused on evangelism, specifically highlighting God's calling for CMA members to be His light in the motorcycling world. We pray the Lord will bless each moment you spend in His Word. We also pray that as you continue to study God's Word, your life will be transformed and you will continue to "grow in the grace and knowledge of our Lord and Savior Jesus Christ" (2 Peter 3:18a, NLT).

AUGUST 2026

LISTEN AND DO

SCRIPTURE READING:

James 1

"But don't just listen to God's word. You must do what it says. Otherwise, you are only fooling yourselves" (James 1:22, NLT).

We live in a day and age where we can find the answers to almost any question in a matter of seconds. With the internet and a computer or smartphone, the answer is basically right at our fingertips.

As followers of Jesus, we have the answers to all the questions and cares of our lives in God's Word, literally right at our fingertips. Even though we have this great knowledge available, some of us still face issues in our lives simply because we don't allow God's Word to guide our actions. We may read and hear God's Word, but we don't apply it to our lives.

The worldly things in this life often deceive us into believing it is okay to pick and choose what we want to do. But following God's Word doesn't work like a local buffet, where you pick and choose what you like and ignore the rest. With God, you obey His Word totally, or you disobey.

God gives us His Word to plant in our hearts so we can live a life pleasing to Him. When we disobey God, we become ineffective in showing Jesus to the world. When we obey God's Word and do what it says, we become more like Him, and our lives and actions look more like God, and lives are changed.
Listen and do what God says. It will make a difference in your life and in the lives of those you are sent to reach!

DISCUSSION QUESTIONS:

What is the first place you turn for direction when facing a problem? What information or motivations direct your life? How important is the Word of God in your everyday, whole-life decision-making process?

When have you read God's Word and picked out the parts you wanted to obey?
In what ways can you ensure that you are following God's will in total obedience?

PRAYER:
Heavenly Father, teach me Your truth and help me to obey You with all my heart. Amen.
